**Request for Modifying the Conditions or Term of Supervision  
with Consent of the Offender**

*(Probation Form 49, Waiver of Hearing is Attached)*

Name of Offender: William Wittmer

Cr.: CR 03-639-01

Name of Sentencing Judicial Officer: Dickinson R. Debevoise, Sr. U.S.D.J.

Date of Original Sentence: 01/26/2004

Original Offense: Enticement of a Minor to Engage in Sexual Acts

Original Sentence: 27 months imprisonment followed by a 3 year term of supervised release

Type of Supervision: Supervised Release

Date Supervision Commenced: 03/06/2006

**PETITIONING THE COURT**

[X] To modify the conditions of supervision as follows:

The defendant shall consent to and cooperate with unannounced examinations of any computer owned or controlled by the defendant, which may result in retrieval and copying of all data from the computer(s) and any internal or external peripherals, and may involve removal of such equipment for the purposes of conducting more thorough inspection.

The defendant shall cooperate in the collection of DNA as directed by the probation officer.

The defendant shall participate in an approved program of sex offender evaluation and treatment, which may include polygraph and plethysmograph examinations, as directed by the probation officer. Any refusal to submit to such assessment or tests as scheduled is a violation of the conditions of supervision. The defendant will be required to pay the cost of treatment as directed by the probation officer. The Court authorizes the probation officer to release psychological reports and/or presentence report to the treatment agency for continuity of treatment.

The defendant shall consent to third-party disclosure to any employer, potential employer, community service site, or other interested party, as determined by the probation officer, of any computer-related restrictions that are imposed.

**CAUSE**

Wittmer declined participation in the Bureau of Prison's Sex Offender Treatment Program at F.C.I. Butner in Butner, North Carolina. Given his lack of participation in treatment, the addition of the above condition will enable the supervision officer to direct Wittmer into sex offender treatment and will assist in monitoring this offender in the community.

Respectfully submitted
